Hi I'm Roger A Rose Sr

I would like to say that as hearing comes up I would ask you to oppose it. And the due process part, our fore fathers put these amendments in place so that law abiding citizens like myself and others are able to protect ourselves and families. Please, Please oppose this so that the good and law abiding citizens of CT can go on helping to protect our own families. These amendments were placed in our constitution for all good intentions and I just feel that our rights are being infringed upon at the present. Again please oppose Thank You in advance and may God Bless you all
